what is a classic? a classic is a work of literature that, because of its meaning and quality, has not gone out of  
style. you may not ãçã€œlikeãçã€• every classic that you read. you may not understand all of them. but if  
you focus your attention on the meaning and the quality of the overall piece, as well as the details, then you can  
get that classic to speak to you ... **ec5596 reading for children - university of nebraska** - university of nebraska
